

BECOME A PROMOTIONAL PARTNER OF THE BCM NOW

With over a 1,000 members, the Berufsverband der Compliance Manager (BCM) e.V. is the biggest professional association for inhouse compliance managers in the German-speaking area. Become a promotional partner now and support our activities by organising Coaching Days for our members, contributing to our service brochures, or by participating at the Federal Compliance Congress (Bundeskongress Compliance).

A promotional partnership enables you to network with all relevant stakeholders that shape the future of compliance.

Your benefits as a promotional partner

NETWORK OF EXCELLENCE

Organise up to three Coaching Days per year and become a primary contact for cooperation e.g. speaker requests and project sponsoring.

LOGO SHARING

Place your corporate logo including a link and a short profile on our website and show your support by using our official partnership logo.

PROFESSIONAL TRAINING

Get a discount on seminars and conferences offered by our partner Quadriga Hochschule Berlin and pay less for the participation in our certification programme "Certificate of Proven Excellence in Compliance."

PUBLICATIONS

Get our magazine "Compliance Manager", service brochures, the annual professional field study, etc. for free.

BUNDESKONGRESS COMPLIANCE

Engage as a sponsor or expert in the biggest compliance conference in the German-speaking area.

JOB EXCHANGE

Get a discount of 15% when placing job offers on the COMPLIANCE MANAGER job exchange.

The Association

The Berufsverband der Compliance Manager (BCM) counts about 1,000 members and is the leading professional association exclusively for inhouse compliance managers from companies, associations and organisations of all industries. With its platforms, the BCM contributes to strengthen the members' networks and their interests concerning the economy, politics and the public. The association advocates for recognised educational standards and promotes the exchange within the profession, not only in Germany but also abroad.
